Quick answers to common questions

Frequently Asked Questions

Can I decorate the venue myself?

Yes! You're welcome to decorate the venue yourself. Please keep your booking window in mind when planning your setup and takedown, and choose the rental time that best fits the amount of time you need.

Are there any decoration restrictions?

Yes. Decor must be safe, removable, and cannot damage the venue. Nails, tape, adhesives, glitter, confetti, open flames, fireworks, and sparklers are prohibited. Hanging decor, draping, arches, backdrops, and specialty installations require prior approval. All decor must be removed before the rental period ends.

Is there a security deposit?

Yes. A $750 refundable security deposit is required 30 days before your event. Any refundable amount will be returned within 2 weeks after the event, provided there are no damages, excessive cleaning, overtime, or other authorized charges.

What is your refund and cancellation policy?

All payments made toward your event, including the reservation payment, are non-refundable. Rescheduling requests may be approved based on availability and are subject to a $250 administrative fee, plus any increase in pricing for the new date. If Luxor is unable to host the event for reasons within its reasonable control, Luxor may reschedule the event or issue a refund, less any services already performed or expenses already incurred.

Do I have to clean up after my event?

Clients are responsible for removing all personal items, decorations, rentals, food, beverages, and vendor equipment and placing trash in designated receptacles before the rental period ends. Luxor handles routine post-event cleaning; however, excessive cleaning may result in an additional fee, including for stains, adhesive residue, smoke residue, prohibited materials, abandoned decor, or unusual trash.

What is the maximum capacity at Luxor?

Luxor can accommodate a maximum of 200 people total, including guests, vendors, staff, and other individuals present. The event must remain within the legal occupancy limit and follow all venue policies. Luxor reserves the right to limit admission, pause, or end an event if occupancy limits are exceeded or serious or repeated rules, safety, or legal violations occur.
